

Transportation Services Promotional Statement

Peace River Center is committed to providing safe, reliable transportation services to our Consumers. Our ultimate goal is to provide our Consumers with top quality customer services. Such services establish positive relations between us and our customers and plays an intricate role in our mission to engage, empower and restore members of the community who struggle with mental health issues and/or are victims of domestic violence. Transportation Services are available to our Consumers without regards to race, age, color, sex, national origin, physical or mental disability, or religion. Peace River Center promotes the services of this Agency through the use of official press statements, Agency issued brochures and pamphlets and postings on the Agency's website. Peace River Center is also listed as a service provider on the Department of Children and Families and the Agency for Healthcare Administration's websites. Our services are also promoted through our Agency's Advisory Board, Jr. Advisory Board and our Board of Directors. Our Community Partners include the following organizations:
