

Children's Resiliency Campus
1664 Williamsburg Square
Lakeland, FL 33803

SERVICES OVERVIEW

Behavioral Health Services

- Weekly or biweekly individual therapy sessions provided by a Masters level therapist to address specific, child-centered goals
- Family therapy to strengthen caregiver/child relationship and increase positive behavior

Targeted Case Management (TCM)

- Monthly school and home visits to access, plan, link, monitor, and advocate supportive services for the child
- Individualized support to the child and family with community linkage to improve quality of mental health and family dynamics
- Coordination with other agencies such as Department of Children and Families (DCF), Department of Juvenile Justice (DJJ), mental health providers, and schools in order to ensure continuity of care

Therapeutic Behavioral On-Site (TBOS) Services

- Weekly individual therapy sessions in the home and school setting provided by a Masters level therapist
- Includes both the client and family in developing a unique treatment plan to address specific, clientcentered goals

BENEFITS OF THERAPEUTIC SUPPORT

- Evidence-based services with proven success
- Improved advocacy for mental health needs
- Multi-disciplinary approach with child, parent, and teacher involvement
- Strengthened emotional intelligence and regulation of behavior
- Increased coping skills to improve both academic and social interactions
- Reduced recidivism of Baker Acts

Resiliency Team Services can help with:

- Building respectful relationships
- Strengthening decision making skills
- Building problem-solving skills
- Developing effective listening and communication skills
- Strengthening school engagement and success
- Developing healthy ways to manage emotions and/or conflict

REFERRAL AND INTAKE PROCESS

No referral is needed for Behavioral Health Services (BHS).

Targeted Case Management (TCM) referrals may be completed by current mental health and medical providers, school staff, Department of Juvenile Justice (DJJ), or Department of Children and Families (DCF).

Criteria for TCM Services:

- Between the ages of birth to 17
- IQ above 70
- Diagnosed mental health disability (serious emotional disturbance) that will last for at least one year
- Requires services to assist in attaining self-sufficiency and satisfaction in the living, learning, work, and social environments of choice
- Lacks a natural support system for accessing needed medical, social, educational, and other services
- Requires ongoing assistance to access or maintain needed care consistently within the service delivery system
- Is in an out of home placement or at risk for out of home placement
- Is not receiving duplicate services

Once a TCM referral is made, an appointment is scheduled with a Licensed Mental Health Counselor who completes an assessment and develops a treatment plan. Peace River Center strives to make contact within 72 hours of referral.

If you have any questions regarding services or would like to receive a referral form, please contact:
